(1) Persons shown "At school" in this table are those who had attended school any time between September 1, 1940, and June 2, 1941.

(2) Does not include persons of unspecified years of schooling.

Note - The number of children under 15 years is shown by five-year age groups in Table 2. Since most children reporting school attendance are between 5 and 15 years of age, the number in this age group may be compared with the number reporting school attendance, and since most persons reporting less than 5 years of schooling are under 10 years, these may be subtracted from the 0-4 schooling group in order that the population 10 years and over with less than 5 years of schooling may be compared for the wards of the cities.

(1) Les personnes données comme "à l'école" dans ce tableau sont celles qui ont été à l'école un temps quelconque du 1er septembre 1940 à la date du recensement, le 2 juin 1941.

(2) Ne comprend pas les personnes dont les années à l'école ne sont pas déclarées.

Nota - Le nombre d'enfants de moins de 15 ans, est indiqué par groupes quinquennaux d'âge dans le tableau 2. Comme la plupart des enfants qui déclarent leur fréquentation scolaire ont de 5 à 15 ans, le nombre de ce groupe d'âge peut être comparé à celui qui déclare sa fréquentation scolaire, et comme la plupart des personnes qui déclarent moins de 5 ans à l'école ont moins de 10 ans, ces dernières peuvent être soustraites du groupe de 0-4 ans à l'école afin que la population de 10 ans et plus avec moins de 5 ans à l'école puisse être comparée dans le cas des quartiers des cités.
